2021 Senatorial Scholarship Application

There is dedicated group of volunteers that make up the Scholarship Committee. They will review and consider all applications. The applicant's scholastic performance and the family's financial situation are taken into consideration. The Committee's recommendations will be presented to Senator Beidle prior to the end of the spring semester, and recipients will be notified of their award. Scholarships are only available if funding is allocated in the State Budget; should State funding not be provided this year, any applicants will be notified.

If you were previously awarded a 4-year renewable Senatorial Scholarship, you are not eligible for another Senatorial Scholarship. Your scholarship automatically renews for a total of 4 years. You can determine your previous award status by checking your profile on MHEC's online electronic data base – the Maryland College Aide Processing System (MDCAPS). In order to be considered for a Senatorial Scholarship you must strictly adhere to the following directions.

The Application for Senator Beidle's Senatorial Scholarship includes:

- The completed **Scholarship Application**, it must be legible and completed in its entirety.
- An **original transcript** from your current educational institution.
- A typed **300 to 500 word essay** on a separate piece of paper. The topic for the essay is: **If you had the authority to change your community in a positive way, what specific changes would you make and why.**

- **Include a resume or separate sheet listing:**
 - Any school activities (including elected positions and years held)
